What teachers are saying...

“This is **exactly what I've been searching for!** It gives me a great base to leave information for subs whether I am out sick or planned to be gone. **Everything a sub needs to know is right in one place.**”

“As a first year teacher, I was really worried about having a sub for the first time but **I am SO glad that I now have this binder for my subs.** I know that they have **everything that they need to know about my class all organized right at their fingertips!**”

“This has been **one of my best purchases to date!** This pack contains **all you would need to set-up a successful day in your classroom for a guest teacher.** Many of the slides can also be used for **classroom management and organization.** The best part is, is that **everything is editable** in order to suit anybody's needs. I will **use this for years to come!**”
